

PCH Hotels & Resorts

PCH Hotels & Resorts to honor America’s Military Veterans via their first “Hire an American Hero” job fair designed to partner with our veteran community. In support of the brave men and women and their spouses whose sacrifice provides the safety and freedoms we enjoy, PCH will host a job fair at each of their eight Alabama based hotels tied to “National Hire a Veteran Day”, July 25th.

PCH recognizes that the best of what our service men and women represent is commitment, valor and putting others first which aligns with PCH’s brand promise, Care for People First.. Many of the acquired skills gained from a military career are transferrable to the hospitality industry.

“We want to be intentional in creating a partnership that ultimately serves us both by helping our military personnel transition from active duty to the private sector while staffing our properties”, said Ms. Dione Heusel, Corporate Director of Talent & Culture.

PCH is excited to engage the military community in an

effort to open doors to rewarding career opportunities.
